ARTICLE 28. To see if the Town will vote to approve the following resolution to be forwarded to our elected officials at Local and State levels:

Resolved: We the citizens of Harrisville, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. "The Pledge" perpetuates a burdensome property tax. We urge our elected officials to reject "The Pledge," have an open discussion covering all options, and to adopt a revenue system that relieves the local property tax burden. (By Petition)

ARTICLE 29. To see if the Town of Harrisville will approve the following statement of intent: It is the intent of the residents of Harrisville to protect aquifers, which serve as existing or potential water supplies, and the aquifer recharge system so as to maintain high water quality and to prevent the degradation of water quality. (By Petition)

ARTICLE 30. New Hampshire Climate Change Resolution; To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Harrisville.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the town of Harrisville encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices. (By Petition)

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$ 800,954.00 which represents the operating budget. Said sum does not include special or individual articles addressed.

ARTICLE 32. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

ARTICLE 33. To transact any other business that may legally come before this meeting.

Selectmen's Report

We began this year with the task of repairing the Russell Reservoir Dam. After finally getting our permits, we were able to complete the repairs and the dam is back in operation. As you will see in our budget the repairs were done for approximately \$22,000.00 (well under the \$100,000.00 proposal). We wish to thank Wes and the Town Highway Department for all of their hard work in helping to repair the dam.

We are happy to report that the Spring has tested good all year and we hope to appropriate money for further studies on keeping the Spring water at levels for safe consumption.

Connie Boyd has retired as the town secretary and treasurer. We presented her a plaque at her retirement party in appreciation for all of her years of service to the town. Laura Trudelle, Connie's assistant, has been hired as the new town secretary.

Donnie Keough retired from the Town Highway Department. We would like to thank him for his 26 years of service to our town. Randy Tarr has been hired to take his place.

We will be making many changes in the Selectman's office this year to help us run more efficiently. One of those changes will include setting up a town web site. If you are interested in helping to set up the web site please contact us.

We wish to thank all of the town board members and all other volunteers who have helped us through out the year.

Board of Selectmen

Conservation Commission Report for 2006

The Conservation Commission continues to focus its activities on the protection of natural resources, and natural, aesthetic, and ecologically important areas within the Town of Harrisville. This year's efforts include sponsoring the annual roadside clean-up day and working with the landowners around the "Great Meadow" (the land between Nubanusit Lake and Harrisville Pond) to insure that this water resource remains of the highest quality and the land around the Meadow remains good wildlife habitat. An ecological study done in 2006 will provide the Town with a detailed report on the ecological importance of this area of the Town.

The Commission is also working toward making a formal Natural Resource Inventory for the Town, which can be used to help the Town in updating its Master Plan.

Cemetery Trustees

This year we lost yet another Cemetery Trustee, William McNeill. After a valiant fight against various illnesses, "Bill" passed away in July. He was our friend and valued Trustee, serving with dedication and a sense of humor. He loved his town and served it in many ways. Our thanks to his family for sharing him with us. In recent years, we have also lost both Larry Rathburn and Popet Trudelle.

It was a wet summer and keeping ahead of the mowing became a real challenge. In addition to mowing, we had some headstone and brush work done in Island Cemetery.

Our 2007 plans include mowing more often and more headstone work. We have also requested more funds to help improve the roadways in both Island and Willard Hill cemeteries. This combination represents a doubling of our current budget. We feel that this is a realistic request if we are going to do an adequate job of taking care of our cemeteries.

Also on the horizon, probably for 2008, is a restoration project of the iron fence and gateways at Island Cemetery. We have the gates. In 2007 we plan to get quotes on making both fence and gates presentable and functional.

Respectfully submitted,
Leslie Downing

Emergency Management Report

The United States Emergency Management hierarchy is as follows: at the top is Homeland Security; in descending order are FEMA (Federal Emergency Management Agency), the State of NH Homeland Security & Emergency Management office, which has a regional representative for Harrisville, then Harrisville (Selectmen and the Emergency Management Director). This is a single chain of command used across the whole country. For example, during severe weather events, I received calls from the State Operations Center regarding conditions in Harrisville. If we needed resources, I could request them.

The system functions through planning and training. Currently, we are working on our Local Emergency Operations Plan (LEOP) and our Point of Dispensing/Distribution (POD) plan. We are also training various members of the community in two courses: the Incident Command System, ICS100, for local events and the National Incident Management System, NIMS 700, for regional or larger problems. These courses provide unified procedures and common terminology for responders across the U.S. By fulfilling these requirements, the Town becomes "compliant", thus eligible for federal disaster relief funds.

2006 FIRE DEPARTMENT REPORT

It has been a busy year for us here at the Fire Dept., responding to 133 calls, an increase of 36 calls from last year. This is the most calls the department has responded to in one year.

The New Year is starting out to be a busy one as well, already having made 18 calls as I finish writing this report, and it's only January 24th. If things continue at this pace it could be another record setting year.

As some of you may already know we are hoping to replace the rescue truck this year. This truck is almost 20 years old, is used the most here at the department and is in need of repair. Due to its age it is not feasible to repair this unit. We have been using the Squad for medical runs as well, but find it cannot carry all the equipment needed.

We have some new members on the department and are looking to take on some more. We really do need more help. If you have any interest in doing medical and/or fire fighting please call and talk to me.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2006 Road Foreman Report

I would like to thank Don Keough for his service and commitment to the Town of Harrisville. After 36 + years with the Highway and Fire Department, Don retired in December 2006. Don's dedication to the Highway Department was greatly appreciated and he will be missed.

The winter season of 2006 was mild. It's not often we can put out 2 ½ tons of cold patch in February. This must be due to global warming!!

The spring started off dry. We ordered chloride with anticipation we would use in during the summer months but it was so wet have 2 tons left over.

Due to the oil price increase, the cost of asphalt has gone through the roof. Maintaining our paved roads will become more costly. Regular grading throughout the summer. We purchased stone and gravel from Dublin Sand for the first time in a long time, as we ran out of our own crushed gravel (1700 yards) with plans to make more in 2007. We purchased a new 1 ¼ ton Ford truck. This replaces the 1 ton Dodge truck. We mixed 574 tons of cold mix asphalt in the town gravel pit. Chip seal was applied a Sunset Hill Road. A Loading dock was built at the Recycling Center in July. Culvert Work was done all over town.

A lot of rain this past fall, one of the wettest years on record. In September paving was done on Tolman Pond Road and Willard Hill Road. We cut brush on Hancock Road and Tolman Pond Road. A screen plant was rented in the fall to screen the winter sand supply.

Russell's Reservoir updates.... The dam has been repaired. Due to deterioration inside the dam, the spillway was repaired.

I would like to thank all of the department heads for their help and support in the past year.

Respectfully Submitted,

Wes Tarr

HISTORIC HARRISVILLE, INC.

The structural rehabilitation of Cheshire Mill No. 1 was carried out in 2006, followed by the installation of a new slate roof. The mill's cupola was removed from the tower on May 4 for extensive repairs that required full access. The timber frame was repaired and the tower's roof was replaced matching the existing sheet-metal pans, soldered seams, and red paint. The cupola's metal dome roof was repaired and painted, as was all wood trim, the weathervane was re-gilded. On July 6, with repairs completed, the cupola was lifted by crane and lowered back into place on top of the mill tower.

Work began on renovations to the interior of Mill No. 2 in September. Obsolete interior partitions and systems were removed and new walls were framed and insulated. Contractors began installing new electrical, alarm, and sprinkler systems, as well as an elevator, to bring the building up to modern building code requirements and make it suitable for industrial and commercial tenants.

The Harrisville General Store was leased to a new owner, Rob Gillis, in early June. The grocery business has been expanded and the café continues to serve light fare and lunches.

Historic Harrisville, Inc. is a public, nonprofit foundation that welcomes anyone to join us in our work. If you are not on our mailing list and wish to be, please drop us a note at Box 79, or call 827-3722. Everyone is invited to attend our meetings, which usually are held on the last Saturday of April and October.

Dear friends and neighbors

Perhaps you are new to the town, or perhaps you have simply not had reason to realize this... In either case you might like to know that Marl Harris Ambulance has been your community's volunteer ambulances services for more than 35 years! And, moreover, we continue to be a-free-to-our-patients, not-for-profit service, which is very unusual for ambulances these days – neither billing patients, nor relying upon tax revenues! And, our members do this for absolutely no compensation!

Fiscal year 2005-6 found us responding to 168 calls in Marlborough and Harrisville, during which we were very fortunate to have the assistance and support of town departments. On behalf of the board of directors and the Squad Members of Marl Harris Ambulance, I extend our utmost respect and gratitude to Fire/Rescue Personnel and Police Officers from both towns who work with us to provide the best possible care for our patients. We also appreciate the services of Diluzio Ambulance, Dublin Fire/Rescue, and Keene Fire Department Personnel who come to help us when needed. And, we thank our families, friends and neighbors for all you do for us, for supporting us in so many ways. You all make our job that much easier, and enable us to continue to do what we do!

Last, but certainly not least, we couldn't do our job without the generous donations we receive from both communities. Because of all of you, we continue to be able to provide ongoing training, to maintain quality equipment, and to cover our out-of-pocket expenses in enabling Paramedic Services for our patients who need this level of treatment – the most advanced out of hospital care our region has to offer. For this we thank each and every one of you!

In Closing, I would be remiss not to mention that we are always looking for good people who are able to volunteer their time for our cause, to share their skills and talents in either medical or non-medical capacities. Anyone interested only needs to leave a message at Marl Harris's office @ 876-3382, or contact any of the following folks:
Board of Directors: Phylis Manning (President), John Northcott (Vice President), Helen Wilson (Secretary), Dino Drakiotes (Treasurer), Roger & Beverly Packard, Sue Bemis, Rufus Frost, Marlene Morse, Jim Kasper, Bob Raymond, Sue Spencer.
Active Squad Members (both Medical & Non-Medical): J Eric Hood (Chief), JD Morse (Deputy Chief), Sandra LaPlante (Captain), Kelson Mulcahy (Lieutenant), Mike Goodwin (Lieutenant), Christina Audley, Alison Woods Baker, Katie Coutts, Kelley & Leland Gray, Tom Havill, Ellen Lamb, Alan LaPlante, Chris Lyons, John & Phylis Manning, Darren Naeck, Roger Packard.

Best wishes to all for a safe and healthy 2007...

Phylis M Manning
President

Planning Board 2006

The Board began the year in some what relaxed fashion by reading and discussing sections of Harrisville's Master Plan to consider whether the document should be updated. This exercise quickly led to a sense that our energies might be better spent by updating and/or drafting Zoning Ordinances to further implement the current Master Plan's vision and goals. However, the Board had to table these important issues in the spring when we found ourselves suddenly busy with other responsibilities.

March brought a flurry of informal consultations with residents who were considering voluntary mergers, lot line adjustments and/or subdivisions of varying sizes. In the following months four of the subdivisions were completed: two two-lot subdivisions with preexisting houses on Aldworth Manor Road; a three-lot subdivision on Route 137 and Sargent Camp Road; and a subdivision creating a new lot on Lampman Road. In all, the Planning Board collected more than \$1500 in application fees this year, which offsets our operating expenses.

In April, at the request of the Town Counsel and the Selectmen, the Board began to consider driveway regulations. Model regulations were obtained from Southwest Region Planning Commission, and Mike Wilder met with Road Agent Wes Tarr and the Police and Fire Chiefs to come with a first draft. Over a period of several months the draft was refined by the Planning Board and put into final form. The resulting "Harrisville Driveway Regulations" were adopted after Public Hearing on January 10, 2007.

In March Ranae O'Neil joined the Board as an Alternate, replacing Ron Lambert, who resigned perspective to the Board. Recording Secretary Janet Hammond Blair resigned in December, and we thank her for more than four years of service. Sherry Sims is our new Recording Secretary, and we welcome her.

Looking ahead, we hope to find time to consider Zoning Ordinance updates or additions in 2007. We invite citizens interested in Harrisville's future land use decisions to become active as Board alternates or subcommittee members or by attending hearing, information sessions and workshops when they are announced. In a town like Harrisville, it is truly possible to help shape the landscape of the future.

I extend special thanks to current board members all worked with great commitment throughout this busy year: Noel Greiner, Anne Howe (Secretary), Anne Havill (Alternate), and Michael Wilder (Selectman Representative). Thanks also to Alton Chamberlain, Howard Clark, Anne Havill and Frank Meneghini for working on this year's Capital Improvement Program.

Respectfully submitted,
Jane Meneghini, Chairwoman

2006 Harrisville Police Report

The year 2006 was another busy year for the police department with a total of 791 calls - down by 11 from 2005.

These calls break down as follows:

- 495 miscellaneous calls (a call that requires a log entry only) - Example; power-line down, assist fire department with traffic, loose dog, assist another department - no arrest.
- 242 calls for service (a call that needs a state incident report) - Example; assault, criminal mischief, domestic violence, or a call where there is an arrest or could result in one.
- 16 motor vehicle accidents - includes all accidents, with or without personal injury.
- 33 burglar alarms - cause found or no cause found.
- 5 case reports - these are Class A misdemeanors or Class B or Class A felony cases.

2006 showed a close resemblance to 2005 as far as calls go. One big difference was miscellaneous calls were up and calls for service were down. Motor vehicle accidents were the same as 2005. Alarms were down by two and case reports were down by one.

As Chief of this department, I am a firm believer in community policing and I encourage the officers to speak with residents and business people long before there is a need for our services. Our goal for 2007 is to stay pro-active in patrol work and motor vehicle violations. I welcome calls to the department that will help in these challenges.

The department is down one part-time officer, as Eric Hood is no longer working for the department. Ryan Quimby and Lenny Emond will do their best to help out as their extra time allows for this shortage. We will be looking for another part-time officer to fill the opening, unfortunately this is not as easy as it sounds.

I would like to thank Sgt. Eric Hood, Officer Lenny Emond and Officer Ryan Quimby for the help they could, and did give to the Town of Harrisville in 2006. I would also like to thank the other departments and Selectmen for their continued support. I look forward to serving the town in 2007 and my continued work with the other town departments.

Respectfully submitted,

Chief Russell J. Driscoll

Public Health Emergency Preparedness and Response Planning

The Keene All Health Hazard Region (KAHHR) planning group is planning actions so that southwest New Hampshire will swiftly and effectively respond to and recover from a public health emergency. Public Health emergencies differ from more common disasters (i.e. ice storm, flood, and fire) in both scope and duration. A public health emergency is defined as an event that affects the public's health: a highly contagious disease, for example, of a natural disaster, or bioterrorism. A public health emergency could last days or months. It might affect only a specific town, or an entire country.

Every community member is equally vulnerable. We might expect worker shortages due to illness or caring for a family member. Ill patients and worried citizens might overwhelm healthcare providers. The region might open an Acute Care Center (ACC) to manage overflow from medical facilities. The region might open Points of Distribution clinics (PODs) to quickly provide medications to citizens. In addition, we might impose isolation or quarantine orders. And we might need expanded morgue facilities process higher-than-normal numbers of deaths.

The dedicated KAHHR planning group considered each of these issues and customized a response to suit our region's needs. No single municipality has the resources to manage a health emergency by itself. The remedy is advance planning and combining resources from towns, medical, and social service organizations so that the region provides a powerful response.

The Cheshire Public Health Network coordinates the region's preparedness planning with advice from the planning team of representatives from: the Towns of Alstead, Chesterfield, Fitzwilliam, Gilsum, Harrisville, Hinsdale, Keene, Marlborough, Marlow, Nelson, Richmond, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole, Westmoreland, and Winchester; Cheshire Medical Center; Home Health Care, Hospice & Health Community Services (HCS); local chapters of the American Red Cross and Monadnock United Way; Monadnock Family Service (MFS); Keene State College; SAUs; employees from the NH Departments of Health and Human Services, and Homeland Security/Emergency Management; and other agencies.

If you have any questions or concerns regarding how the region is preparing for a public health emergency, please contact the Cheshire Public Health Network Coordinator at the Cheshire Medical Center: 354-5454 ext. 2130 or sward2@Cheshire-Med.com.

HARRISVILLE PUBLIC LIBRARY

"...the stillness of an implacable force brooding over an inscrutable intention..."

--Joseph Conrad quoted by John McPhee in "Encounters with the Archdruid"

Changes

Chosen by the Friends of the Library, the "Wilderness" theme of our 2006 Summer Adult Reading program was apt for a year of contrasts and changes. The quote applied equally well to the process of collection development and all the steps necessary for it to be completely cataloged! Just imagine locating every book, evaluating its condition and suitability, entering it into the State System (NHUPAC), generating and filing all the necessary, related materials, and reshelving. Hard work by staff, consultants, and volunteers allowed us to nearly complete the cataloging of the Adult collection by year-end 2006. At summer's end, Library Director Connie Boyd announced her intention to retire at year-end 2006. The Trustees initiated a search process and were happy Susan Weaver agreed to take over in 2007. Her degrees include a Master's of Science in Library and Information Sciences and she is the Media Specialist at Wells Memorial School. Most recently, Susan was Instructional and Reference Librarian at Northfield-Mount Hermon School.

Programs and Special Events

In late March, as a follow-up to the Children's Literacy Foundation grant of 87 books in 2005, author and performer Steve Schuch came to Wells Memorial School and the Harrisville Children's Center to share his wonderful stories and music. National Poetry Month was celebrated by a morning program on April 1st, favorite poems read and discussed by patrons. The arrival of the American Library Association "We the People" K - 12 book collection was welcomed with a mid-May evening program about immigrants in Harrisville featuring reminiscences by Toivo Saari, introduced by Chick Colony.

The Summer Adult Reading Program books challenged our definition of "wilderness" with John McPhee's classic "Encounters with the Archdruid", Sue Hubbell's "A Country Year", and Scott Momaday's, "The Way to Rainy Mountain", now all available in our collection. NH Humanities Council Scholars Patrick Anderson and Suzanne Brown returned and led engaging discussions. The popular Children's Summer Reading Program was PIRATES. At the conclusion of six weeks, 29 children had read 495 books! Weekly programs included a pirate story followed by an activity: making treasure boxes, magic with Mr. Phil, survival, pirate flags, maps, and knots. Children from the Harrisville Children's Center and Wells Memorial School also attended. Thank you to the Friends of the Library and volunteers who helped make the program fun and successful. In early January of 2007, many patrons and friends celebrated Connie's friendly, helpful tenure of nearly 30 years at a festive reception.

Friends of the Library

Hard-working and generous, the Friends of the Library have been essential to our major efforts in 2006, cataloging and programming. From refreshments to filing, volunteering of all kinds, and the delicious CAKEWALK at Old Home Days, their support was invaluable. In addition, their generous grants helped collection development and funded the summer reading programs.

Library Statistics: 2006 Summary

The use of the collection increased dramatically, with average items checked out per patron doubling from 2005 levels. Increases in children's materials circulating and computer use were the major factors. Acquisitions for adults were up 240% and materials for children grew by 45% (gifts and purchases). The Wheeler Children's collection donated in 2006 was not reflected in these numbers as it will be cataloged and entered in 2007. Total materials added to the collection increased by 68%. Inter-Library Loan proved to be a great addition to our resources. It makes available all the circulating books in the State of New Hampshire Libraries.

The Trustees' Book Sale at Old Home Days raised a record-breaking \$475.00. This event helps us turn our inventory and was ably executed by Michael Price, President, and Roger Eastman, Trustee Emeritus, assisted by Hal Grant, Max Boyd, and Richard Bayles. Our Treasurer, Sharon Driscoll supervised the consolidation of our accounts and investments, making it easier for us to manage our endowment. Proceeds from the endowment were used to fund the cataloging project and acquisitions as directed by bequest. Memorial gifts in honor of Missy Moschan and John Clark were received in 2006 as well as a Rotary Birthday Book in honor of John Croteau. To all unsung, unnamed Friends, Volunteers, Patrons, and Donors, our staff, Connie Boyd, Leslie Downing, Kris Finnegan, our page, Emma, and consultants, Judith Klein-Dial and Roberta Beeson: THANK YOU for all your efforts in 2006. ---Sarah Kendall Bayles, Trustee Secretary

TOWN CLERK

In 2006 the Town Clerk's office registered 1557 vehicles and 90 boats, licensed 276 dogs and sponsored a Rabies Clinic inoculating 15 dogs and 5 cats. We recorded 10 marriages, 7 births and 11 deaths. Additionally we sold Dump Stickers, processed Dredge and Fill permits, issued Pole Licenses, filed UCC Liens and researched and issued certified copies of vital records. These transactions along with a few miscellaneous items resulted in revenue to the town of \$172,882.61.

The Town Clerks continue to attend workshops and trainings when offered. The mandatory training on the Federal Driver Protection Privacy Act led to changes in how we handle registration concerns on the telephone and at the counter. Thank you for your understanding when we ask for "just one more item" or tell you "only the person named on the registration can register this vehicle". We are protecting your privacy.

In preparation of the newly enacted Americans with Disabilities Act the Town Clerk and Supervisors attended trainings. These trainings enabled us to turn out the new ElectionNet software, the official State of New Hampshire Statewide Voter Registration System, at the fall elections. We did our best to make these changes to our polling place comfortable for the voters.

At the November 7 General Election 66% of the registered voters cast ballots.

Thank you to the residents of Harrisville for the support they have shown me over the year. I look forward to seeing you in 2007.

Respectfully submitted,

Donna Stone
Town Clerk

MINUTES OF TOWN MEETING
Town of Harrisville, Cheshire County
The State of New Hampshire
Tuesday March 14, 2006

The polls (open from 11:00 am to 8:00 pm) and Annual Town Meeting held at Wells Memorial School Gymnasium. 300 citizens came out to vote in our town elections.

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

Moderator John J. Colony III opened the polls under Article 1 at 11:10am.

The meeting was then recessed until 7:05 pm when it was re-opened. The Moderator then introduced the town officers and thanked all the committees for the good work they do for the town throughout the year.

The Moderator then recognized Selectmen Chamberlain who explained the Citizen of the Year award and asked any one who would like to be on the committee to let the Selectmen know.

The selectmen then presented the Citizen of the Year award to Alison and Joseph Jacobs for their strong commitment to the town and all the help they give through their good work to the citizens of Harrisville.

ARTICLE 1. continued: Officers were nominated and elected from the floor to the following positions:

Are you in favor of adoption of **Amendment 8**: To amend Article IV, General Provisions, by adding the following provision:

4.1.20 When a new residence is built to replace an old residence on the same lot, the old residence must be removed within one year of the completion of the new residence.

YES 242 NO 40 **PASSED**
(Article Voted by Official Ballot.)

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the purpose of maintenance and emergency expenditures for the Landfill.

Motion made and seconded to accept Article 3.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$4,120.00 in support of local Health and Welfare agencies to be allocated as follows:

Monadnock Family Services	1,370.00
Home Health Care and Community Services	500.00
The Community Kitchen	1,500.00
Southwestern Community Services	500.00
The Samaritans of the Monadnock Region	250.00

Motion made and seconded to accept Article 4.

A short discussion ensued. Selectman Wilder reminded citizens to take advantage of these services by calling the Selectmen or the agencies directly.

PASSED by voice vote.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$1,218.00 as the Town's share for the studies and operations of the Southwest New Hampshire Region Planning Commission.

Motion made and seconded to accept Article 5.

A short discussion ensued. **PASSED** by voice vote.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for new pagers and defibrillator updates for the Fire Department.

Motion made and seconded to accept Article 6.

Discussions ensued as to how many pagers we have and the cost of new ones (\$400.00 each), the condition of the defibrillators and where they are located. Question as to establishing a capital reserve fund in the future for this type of equipment. A motion was made to increase article 6 by \$4000.00 so 10 more pagers can be purchased. After more discussion the motion was made and seconded to amend article 6 as follows: to change the amount from \$6,000.00 to \$10,000.00. Amendment **PASSED** by voice vote. More discussion ensued. Article 6 with amendment: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for new pagers and defibrillator updates for the Fire Department.

PASSED as amended by voice vote.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for repairs to the Russell Reservoir Dam. This is to be a non-lapsing fund until 2007 year-end.

Motion made and seconded to accept Article 7.

Selectmen Wilder explained the handout provided (Engineering Estimate for Repair of the Russell Reservoir Dam). Selectmen Wilder and Chamberlain explained the condition of the dam and what repairs the town proposes to do to make the dam safe. A lengthy discussion ensued. **PASSED** by voice vote.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$6,500.00 to build a ramp and repair the roof of the Recycling Center Building and to prepare site work for the placement of a trailer.

Motion made and seconded to accept Article 8.

A short discussion ensued. **PASSED** by voice vote.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$48,778.99 for the purchase of a new 2006 F450 dump truck with a 9 foot plow and a 2 yard sander, basic cost of vehicle \$45,708.00 and extended five-year warrant of \$3,070.00, and to authorize the withdrawal of \$51,848.99 from the Highway Equipment Capital Reserve Fund. Furthermore, to authorize the Selectmen to decide upon the disposition of the Town-owned 1 ton truck.

Motion made and seconded to accept Article 9 with math corrections as follows: To see if the Town will vote to raise and appropriate the sum of \$48,778.00 for the purchase of a new 2006 F450 dump truck with a 9 foot plow and a 2 yard sander, basic cost of vehicle \$45,708.00 and extended five-year warrant of \$3,070.00, and to authorize the withdrawal of \$48,778.00 from the Highway Equipment Capital Reserve Fund. Furthermore, to authorize the Selectmen to decide upon the disposition of the Town-owned 1 ton truck.

A lengthy discussion ensued as to how often the truck is used, the wisdom of purchasing new rather than 2nd hand and the fact the money will be coming from the Capital Reserve Fund. Further discussion ensued as to the disposition of the 1 ton truck. To be continued.

The Moderator closed the Polls at this time (8:10 pm).

Voice vote too close to call.

Standing vote: YES 91 NO 55 Amendment **PASSED** Article as amended
PASSED by voice vote.

ARTICLE 10. To see if the Town will vote to authorize the Board of Selectmen to sell that tract or parcel on North Pond identified as, Tax Map 20, Lot 83, .80 acres, more or less, to the abutter, Lance Levesque, on the condition that the parcel sold, be annexed to his two parcels and that the three parcels be merged with no further subdivision, at such price as the Selectmen shall deem in the best interests of the Town, or take any other action relative thereto.

Motion made and seconded to accept Article 10

Selectman Jacobs with the help of an overhead visual map showed the location of the land and explained why the Selectmen felt it was good for the town as Mr. Levesque would merge all 3 lots into 1 lot. A very lengthy discussion ensued as to the value of the land both figuratively and monetarily. A motion was made and seconded to amend Article 10 as follows: To see if the Town will vote to authorize the Board of Selectmen to sell for a price established by a qualified appraisal that tract or parcel on North Pond identified as, Tax Map 20, Lot 83, .8- acres, more or less, to the abutter, Lance Levesque, on the condition that the parcel sold, be annexed to his two parcels and that the three parcels be merged with no further subdivision, or take any other action relative thereto. Amendment **PASSED** by voice vote. Voice vote on article as amended too close to call. Raised hand vote YES 73 NO 48 Article as amended **PASSED** by raised hand vote.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to negotiate by license or easement use of a portion of the town land acquired from the Boston-Maine Corporation with landowners abutting on the southerly side of the former Boston and Maine right of way on Lake Skatutakee along its southern shore, on such terms and conditions as the Selectmen shall deem in the best interests of the Town, or take any other action relative thereto.

Motion was made and seconded to accept Article 11.

Selectman Jacobs, with the help of 2 handouts and an overhead visual map showing the location of the land, explained reasons why the Selectmen feel this option could be a good plan for the town by further protecting the spring, giving the planning board another tool to negotiate development on the southerly side of the road and connect conservation land on that side. A very lengthy discussion ensued. A letter was read from a non-resident property owner/ tax payer questioning the town ownership of the property. One resident spoke of her belief that she owns the property not the town. Residents expressed their concerns over the possible legal battles that this article if passed may involve. **DEFEATED** by voice vote.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$29,100.00 for a property assessment update, to be performed by Avitar Associates.

Motion made and seconded to accept Article 12.

A lengthy discussion ensued. Selectmen explained the reasons for the update and the need to keep our assessments current in order to satisfy the state and pay our fair share of state school taxes. **PASSED** by voice vote.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$13,832.00 to apply chip seal to Sunset Hill Road.

Motion made and seconded to accept Article 13.

A short discussion ensued. **PASSED** by voice vote.

ARTICLE 14. To see if the Town agrees to participate in the National Flood Insurance Program (NFIP) by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

Motion made and seconded to accept Article 14.

A short discussion ensued. This participation is at no cost to the town. **PASSED** by voice vote.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$3,150.00 to support an ecological Prime Wetlands Designation study, undertaken jointly with the Town of Nelson, to further the goal of protection of the area known as Great Meadow, located between Nubanusit Lake and Harrisville Pond.

Motion made and seconded to accept Article 15.

Ms. Sanders represented the Conservation Commission and explained the value of a Prime Wetlands Designation. A lengthy discussion ensued as to the value of this designation, the land owners concern in regard this designation and why the Selectman did not recommend this article. **PASSED** by voice vote.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$82,500.00 for Capital Reserve to be allocated as follows:

Highway Equipment	- 35,000.00,
Fire Equipment	- 35,000.00,
Police Cruiser	- 5,000.00,
Town Bridges	- 5,000.00,

Recycling Ctr. Equip - 2,500.00 (RSA 35:1).

Motion made and seconded to accept Article 16.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$686,816.00 which represents the operating budget. Said sum does not include special or individual articles addressed.

Motion made and seconded to accept Article 17.
Town Treasurer Constance Boyd went through the budget. A short discussion ensued. **PASSED** by voice vote.

ARTICLE 18. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

Motion made and seconded to accept reports as written.
A short discussion ensued as to Rails to Trails Committee being a formal town committee. **PASSED** by voice vote.

ARTICLE 19. To transact any other business that may legally come before this meeting.

Short discussions ensued: Why we cannot discuss and vote on amendments at the town meeting. Is it a state law that we have public hearings and vote by ballot at town meeting?

How do the voters like the new Town Reports? Most like the new size better.

The spring is open but posted to use at your own risk.

Meeting recessed to count ballots at 11:10 pm.

Meeting adjourned at 12:15 am March 15, 2006.

Respectfully submitted:

Town of Harrisville Report

Senator Harold Janeway
District 7

As your State Senator, I appreciate the opportunity to serve you and wanted to report from the New Hampshire Senate on important state issues affecting you, as residents of Harrisville.

Here are some statistics that may be of interest: The Town of Harrisville received \$576,067.69 in state funding in 2006. Education grants made up \$433,797 of this total.

The balance of state aid consists of the following: \$39,920.95 from the Rooms and Meals Tax, as well as \$1,804.57 in Flood Control, \$49,861 for Highway Block Grants, \$37,141.17 for Building Aid, and \$13,543 for Revenue Sharing.

I am serving as a member of Senate Finance (vice-chair), Health and Human Services, Ways and Means, Wildlife, and the Fish and Game Committees. I have been appointed to the New Hampshire Retirement System Board of Trustees. I would be happy to hear from you on issues of concern.

In addition to the two overarching issues that will dominate this session; addressing the state supreme court's challenge to define education adequacy by June 30 and crafting a budget for the coming biennium, I will be concentrating on several key issues important to the citizens of New Hampshire: helping New Hampshire's working families by increasing the minimum wage, protecting New Hampshire citizen's health by supporting the smoking ban in restaurants and bars and increasing health care access and internet safety for children, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program and supporting the Governor's initiative to reduce the dropout rate in our high schools.

If you wish to contact me about these or any other matters I hope you will do so. Please call me at (603) 271-3041 or email me at harold.janeway@leg.state.nh.us.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment is scheduled to meet the third Wednesday of each month. I have been involved with ZBA for over a dozen years as Selectmen, member of the Board and presently as the Chairman. Year 2006 has been by far the least inactive year. In fact, we only heard three cases.

Some are writing it off as an unusual year. However, there are some skeptics that feel Harrisville has had much building activity but people are not going through the Zoning Ordinance process. If this is the case, we should all be concerned.

The Zoning Ordinances protect each and every one of us. We all have the responsibility to see that every alteration and addition to our properties have the approval of the ZBA and Building Permits have been issued by the Board of Selectmen. It has been said previously, that when planning to do any type of construction, check with the Board of Selectmen first to see what you need to do.

If the skeptics are right, it may be necessary to look into the legality and a process of fining individuals and/or removing the non-conformity.

In closing, I would like to say to everyone, that Harrisville has many properties, especially at the lakes that do not conform to our present Zoning Ordinances. However, many of them were in existence prior to the approval of the Ordinances and they are considered grand fathered. As difficult as it may seem, no one should feel that "if my neighbor has something illegal, I can have it also."

Again, I appeal to the members of the community to volunteer for membership to ZBA. Please make your wishes known to the Selectmen sometime soon after the Town meeting.

My sincere appreciation and gratitude to the members of the Board: Hal Grant, Jay Jacobs, Richard Grant, Charles Michal, Frank Meneghini, Toni Silk, and our Secretary, Rosemary Cifrino. Their time and participation at the meetings have been appreciated and have been very valuable.

Respectfully submitted,

Panos A. Pitsas, Chairperson

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 13th day of March, 2007, at 6:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Harrisville School Board recommends the sum of \$1,802,825.)*

ARTICLE 3: To see if the District will vote to appropriate and authorize the School Board to transfer up to \$15,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2007, to the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. *(The Harrisville School Board supports/does not support favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to appropriate and authorize the School Board to transfer up to \$15,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2007 to be deposited in the Expendable Trust Out-of-District Tuition Fund established by the voters at the March 7, 2001 District Meeting for the purpose of paying future year regular/special education out-of-district tuitions, or to take any other action in relation thereto. If there is an insufficient undesignated fund balance as of June 30, 2007 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund transfer), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(The Harrisville School Board supports/does not support favorable action on this warrant article.)*

ARTICLE 5: To transact any other business that may legally come before this meeting.

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Harrisville School District
Harrisville, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Harrisville School District, which collectively comprise the School District's basic financial statements as of June 30, 2006 as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

The government-wide statement of net assets does not include any of the School District's capital assets nor the accumulated depreciation on those assets; and the government-wide statement of activities does not include depreciation expense related to those assets. These amounts have not been determined. Therefore, in our opinion, the financial statements referred to above do not present fairly the respective financial position of the governmental activities of the Harrisville School District at June 30, 2006, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Harrisville School District, as of June 30, 2006, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Harrisville School District has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Harrisville School District's basic financial statements. The combining and individual fund statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TOTAL RECEIPTS DURING YEAR

**HARRISVILLE SCHOOL DISTRICT
ANNUAL MEETING MINUTES
March 14, 2006**

Our Moderator, Robert Kingsbury, called the meeting to order at 6:00 p.m.

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote thereto.

Denise Croteau moved to accept the article as read.

Motion seconded by Thomas Cassar.

No discussion was noted.

The voice vote was unanimous in favor of Article 1.

ARTICLE 2: To see if the District will vote to raise and appropriate the sum of \$25.00 as a deficit appropriation to cover unanticipated out-of-district tuition and transportation costs for the fiscal year ending June 30, 2006, or to take any other action in relation thereto. *(The Harrisville School Board recommends approval of this warrant article.)*

John Calhoun moved to pass over Article 2.

Motion seconded by Denise Croteau.

John Calhoun explained that our tuition rate is down due to people moving out of town. We will end with a \$54,000.00 deficit, which will leave us with a \$25,000.00 cushion.

The voice vote was unanimous in favor of passing over Article 2.

ARTICLE 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Harrisville School Board recommends the sum of \$1,752,031.)*

John Calhoun moved to rewrite the motion from the original amount of \$1,752,031 to \$1,683,841.00.

Motion seconded by Thomas Cassar.

John Calhoun explained that we could decrease the original amount asked for since we have less students going to the Junior High and High School and a decrease in Special Ed. Costs. Showing a decrease of \$22,378.00 and the over all reduction of \$130,000.00 pay off for the loan on the school building.

The voice vote was unanimous in favor of Article 3.

ARTICLE 4: To transact any other business that may legally come before this meeting.

At this time John Calhoun talked about how well Ms. Frick's 3rd and 4th graders are doing with lobbying and testifying for their Pumpkin Bill (to make the pumpkin New Hampshire's official state fruit).

John Calhoun gave an update on the old school house, reporting that there has been some discussion with a person who would like to move the old school house to another piece of land. He also stated that the house would not be destroyed.

John Calhoun moved to adjourn the meeting.

Motion seconded by Denise Croteau.

The voice vote was unanimous in favor of Article 4.

ADMINISTRATIVE REPORT

Wells Memorial School has had a new principal since July 1, 2006. Our new teaching principal, Emily Hartshorne, has worked hard to improve student learning at Wells Memorial, a school known for excellence. Ms. Hartshorne taught for 12 years at Wells Memorial School before becoming the teaching principal.

Wells Memorial School stands out among schools in SAU 29. The administrators of the Monadnock Regional Public Schools of Choice Grant substantiated that contention when the school was named a "School of Choice" for world language. As a result of this honor, this year Wells Memorial received \$90,000 in revenue from the Monadnock Regional Public Schools of Choice Grant.

Although the federal legislation, "No Child Left Behind," was adopted in 2002, there continue to be new NCLB regulations we must meet. This past year we moved from testing all students in grades three and six to testing all students in grades three *through* six. Wells Memorial students have a history of strong performance on the New Hampshire assessments.

Next year a State Science Assessment will be added as part of No Child Left Behind. Each Wells Memorial student in grade four will be tested in science. This proposed budget includes funds for teachers to work over the summer aligning the Wells Memorial science curriculum with the new State Science Standards from which the science tests were created.

Wells Memorial students will benefit from a recent announcement that SAU 29 will receive \$75,000 from Title II of No Child Left Behind which authorizes a competitive Mathematics and Science Partnership Grant. We wrote the grant last fall with the help of Professor Tom Bassarear from Keene State College. The grant is intended to encourage institutions of higher education and local school districts to participate in professional development activities that increase the subject matter knowledge and teaching skills in mathematics. Professional development activities must be classroom focused and aligned with state standards. As a result of the \$75,000 SAU 29 received for this grant, two teachers from Wells Memorial will be paid to participate in the five days of math workshops offered this summer.

The titles of the workshops available to Wells Memorial teachers are: Unpacking Math Grade Level Expectations, Manipulatives/Inquiry-Based Strategies, Reading and Writing across the Math Curriculum, Differentiated Instruction, and Alternative Methods of Assessments and Coping with Math Anxiety.

Teachers will be paid \$100 per day from the grant for participating in these workshops. We will also have workshops available for teachers in the fall and the spring of the next school year.

Although we are grateful for the federal revenue that supports this grant, the NCLB mandate is underfunded. In 2005, the New Hampshire School Boards Association projected yearly expenditures related to No Child Left Behind at \$577 per student. That same year they projected an anticipated increase in federal revenue for NCLB of \$75 per student.

Wells Memorial students and all students in SAU 29 schools participated in the Northwest Evaluation Association program during 2006-2007. NWEA has grown dramatically in recent years as school districts seek a method for measuring individual student progress over time. The computer adaptive tests give students, parents, and teachers immediate feedback on student progress and level of performance.

Wells Memorial students at Keene Middle School and Keene High School continue to perform well. This past year Wells Memorial had 44 students enrolled at Keene High School. These students are taking advantage of a wide range of academic, as well as co-curricular activities. In English, 71 percent of the Wells Memorial students earned a grade of "B" or better. In mathematics, 66 percent earned grades of "B" or better. In science, 70 percent of the students earned grades of "B" or better. In social studies, 72 percent of the students earned a grade of "B" or better. In world language, 86 percent of the students earned grades of "B" or better. The overall attendance rate for Wells Memorial students at Keene High School was 96.4 percent. Each Wells Memorial data point listed above was better than the overall Keene High School data point.

Wells Memorial seniors from the class of 2006 reported their post-secondary plans as follows: New Hampshire Community Technical School; San Francisco Culinary, CA; University of New Hampshire (3 students); University of New Haven, CT, and the University of North Carolina, NC.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and interaction with, the staff. One example of this is the fall and spring school board/staff goal-setting retreat. This activity not only produces a focus around which planning and allocation of resources occurs, but also a dynamic of cooperation and trust.

The Harrisville community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the schools. Please make the time to visit the school, to attend a school-related activity, or attend a school board meeting. Please be sure to attend the Annual District Meeting on Tuesday, March 13, at 6:00 p.m.

Assistant Superintendent of Schools

PRINCIPAL'S REPORT

Wells Memorial School, now also known as home of the Pumpkin Bill, had another excellent year of staff, parents, and community members working together to provide a high quality education for the children of Harrisville and six other towns in the Monadnock region. Our mission continues to be that, at Wells Memorial School, we challenge each student to reach his or her full potential; emphasize academic achievement that can be demonstrated and measured; build family and community partnerships; teach life skills and character development; and promote diverse cultural and artistic experiences. Our slogan, which encompasses these aims, is, "Knowledge and Responsibility for Today and Tomorrow." The school goals for the year 2006-2007 are:

- *As year one of a three-year goal, Wells Memorial School students will have at least two additional opportunities to experience multicultural perspectives during the 2006-2007 school year.*
- *During the 2006-2007 school year, as year one of a two-year goal, use of the school yard and/or the greater Harrisville natural environment will be integrated into at least one science unit per classroom in order for students to meet objectives of the New Hampshire Science Literacy Standards (NHSLs).*

As of January, 2007, Wells Memorial School's enrollment is 61 students, a 20 percent increase from last year. The breakdown by grade level is as follows:

Kindergarten	6	Grade 3	6	Grade 5	10
Grade 1	15	Grade 4	8	Grade 6	5
Grade 2	11				

We continue to have two grades in three of the four classrooms. This year's configuration is: kindergarten/grade 1 with Roshan Swope, grade 2 with Jan Yardley, grades 3/4 with Kathy Frick, and grades 5/6 with Christine Payack. In addition, Krista Zielinski teaches Spanish to all grades, kindergarten math, and provides reading support. Amy Fulton is our special educator and grade three math teacher Jan Yardley teaches art and music, and I am teaching first grade language arts and second grade math. Vince Bradley is our full-time special education aide.

Our school participated in the No Child Left Behind (NCLB) assessment test for New Hampshire, Vermont, and Rhode Island known as NECAP (New England Common Assessment Program). Our third through sixth grades took the test in October and results will be available in January. We will use the results of this test to look at our instructional practices and make curricular adjustments as needed.

Our three-tiered reading instruction program, which we piloted last year, has become integrated into our school-wide reading curriculum. All students receive between 75 and 90 minutes of language arts instruction (which includes reading, spelling, and writing) per day on grade level in addition to 30 minutes, four days per week, of skill specific or enrichment instruction.

This year Wells Memorial School staff and students are working closely with the Harris Center for Environmental Conservation and Education in order to use the school yard and community environment as a classroom. Janet Altobello is our resident naturalist and is working closely with our population to design, implement and assess science-based units. The science units are designed with the New Hampshire Science Literacy Standards as a foundation.

This is our second year as a Monadnock Regional Public School of Choice, which features our Spanish program. We currently have a total of nine students attending Wells Memorial from the towns of Marlow, Swanzey, Roxbury, Fitzwilliam, Gilsum, and Keene. With each student comes tuition and transportation, as well as a great deal of family support for our school and community. I strongly feel that Wells Memorial School has been enriched as a result of these students and families.

Kim Bylancik is the director of the Marl-Harris Before and After School Program. This program serves families from both Marlborough and Harrisville, providing high quality programming for the before and after school hours. The program currently serves nearly half the families at Wells Memorial and ten families from Marlborough for a total of 42 students.

We are most fortunate to have such an active, supportive PTA at WMS. Some of the activities promoted by them include: roller skating evenings once a month, a Halloween party, fund raisers to support school programs, a book fair, and a reading incentive program. They are always looking for new members and ideas. Meetings are usually the first Monday of the month at 7:00 p.m. in the WMS library.

Please know that our school is always open for visitors. Whether it's for Wednesday community lunch, volunteering in a classroom, presenting a program or talent, or just coming to learn more about us, you are welcome. I also encourage local community and nonprofit groups to use the building. Some groups that use the building are: the Women's Morris Dancers; Boy Scouts; the Town of Harrisville for Old Home Days; Silver Lake Association; the Harrisville Community Church, and the NH Sheep Growers Association.
